Somewhere...in a TOP SECRET training camp located in Western Europe, final preparations are being made. As one of Europe's elite commandos you have volunteered to join the famous COBRA COMMAND, and embark on a vital mission; so crucial that all training is under real life conditions.

Today you must complete your induction course - four grueling tasks to be completed -live or die by your toughness, ability, and cunning.

Negotiate high walls, ditches, barbed wire fencing and ferocious guard dogs! Demonsrate your skill at using hand grenades and planting bombs, whilst avoiding land mines and FM rifle attack! No-holds barred hand to hand combat!!
